

## Recipe Name: ROSE PETAL PUNCH

### Ingredients:

Approximately 30 petals of scented, pesticide-free roses  
(cut the lowest point of the petals away because of its bitter taste)

Half a bottle of white wine

Same amount of mineral water (light version) or sparkling white wine

2 tablespoons of sugar or an equal amount of agave syrup

### Steps to follow:

Put the ingredients together and stir; cool for a few hours in a refrigerator and then strain off the rose petals
